IIDA FALL FORUM

Please join us for a tour of the indoor materials recovery facility at The Sustainability Park in Chester.

Members and non-members are invited to bring guests & family to tour this new facility on track to receive a LEED Gold Certification.

President of Ace Recycling, Ken Mogul and Facility Manager, Ryan Schulze will lead tours of the facility.

DATE Thursday November 12, 2009

TIME Facility Tour - 5:30pm to 6:30pm
Cocktail Hour - 6:30pm to 7:30pm

LOCATION Ace Recycling Center
31301 North Enon Church Road
Chester, Virginia 23836 ([map](#))

HIGHLIGHTS

- Recycling facility located in existing manufacturing building on track to achieve LEED Gold from the USGBC.
- First LEED Gold recycling facility and one of only two Gold Certified projects in Chesterfield County.
- Ace processes regional construction and demolition debris for reuse or recycling. Materials include cardboard and paper, carpet, concrete, dirt, metal, plastics, wallboard, and wood.
- Facility designed to process 75 tons of construction and demolition debris per hour, and 525 tons per day.
- To date, Ace Recycling has diverted over 211 tons of carpet from landfills! Of that amount, 107 tons of Nylon 6 has gone back to Shaw, Inc. where it has been recovered, recycled, and reused in its 100% operational recycling facility!

COST Free for IIDA Members and \$10 for Non-members.

RSVP By November 5th to Kimberly Powell at KPowell@comarchs.com
